Script

Listen to the recording and answer questions 1–10. You will hear the recording twice.

SALLY : Hi, Tom! Where are you going? Are you going to the park to play football?
TOM : No. Not now. I'm going to the shops. It's my father's birthday and I haven't got a present for him.
SALLY : My dad's 43. How old is your dad?
TOM : He is 34 on Sunday.
SALLY : What are you going to give him?
TOM : I don't know. It's difficult.
SALLY : What does he like?
TOM : Oh, he likes music, fishing, watching TV and reading.
SALLY : Why don't you buy him a CD?
TOM : I can't, because my sister is giving him a CD.
SALLY : A book?
TOM: Emmm. I know, I can give him a fishing book. Thanks. Can you come to town with me?
SALLY : Sorry, I can't. Mom and I are going to Aunty Felly's house. Her cat has got four kittens and she says I can have one. I know the one I want – it's white with black ears and a long tail.
TOM : OK. See you soon. Bye.
SALLY : Bye.

Now listen again.
